

Remarks

The applicants wish to thank the Examiner for the indication that claims 23-28 are allowed. To advance prosecution of the application, claims 1-22, 30, 42, and 46-55 have been canceled. Independent claims 29, 41, and 56 have been amended to recite the patentably distinct features identified by the Examiner in claim 23. Dependent claims 31, 38, and 43 have been amended merely for consistency of language with their respective base claims. New claim 57 includes similar limitations to claim 23 but is written in a means-plus-function format.

Accordingly, the applicants respectfully submit that claims 23-29, 31-41, 43-45, and 57 are allowable over the art of record. A Notice of Allowance is respectfully requested.

Respectfully submitted,

Digeo, Inc.
